

**REMARKS**

Applicant respectfully requests reconsideration and allowance of the present application in view of the foregoing amendments and in view of the reasons that follow. Claims 8, 67, and 75 have been amended. Paragraph [0045] has been amended to correct a typographical error included therein. No new matter has been added. Accordingly, Claims 1-3, 6-40, and 67-81 will be pending in the present application upon entry of this Amendment and Reply.

A detailed listing of all claims that are, or were, in the application, irrespective of whether the claim(s) remain under examination in the application, is presented, with an appropriate defined status identifier.

Claims 8, 67, and 75 have been amended to delete the term "CRC Biopulomer." The Applicant has thus addressed the Examiner's sole remaining concern relating to the claims of the present application, and the Applicant believes that all claims pending in the present application are now in condition for allowance. It is respectfully requested that the Examiner enter this amendment and provide a Notice of Allowance in the present application.
